Dear Bob:

Sherman Kent tells me he has informally discussed
with you certain matters respecting the Army of the

STAT

He has brought to my attention certain materials
which he feels to be important. I have read them and
I feel that they may not have been given sufficient con-
sideration in the drafting of paragraph 39 of our recent

STAT

I am forwarding these documents herewith for your
consideration and should be glad to have your views res-
pecting their content. I should also welcome your comment
as to whether or not the IAC should, in the near future,
reconsider the paragraph I refer to above.

Sincerely,
